

## An Appeal to All Communities: Stop Coca-Cola's Abuses!

**COCA-COLA'S WIDESPREAD HUMAN RIGHTS AND ENVIRONMENTAL ABUSES** are described on the reverse side of this flyer. We are appealing to all citizens, targets of Coke's advertising, to remove all Coke products from their communities until the company acts responsibly.

All evidence shows that Coca-Cola is a corporate system full of lies, deception, immorality, corruption and widespread human rights and environmental abuses. No community that prides itself a center of ethics and morality should be identified with Coca-Cola, nor serve as a marketplace for its sales and advertising.

We hope that your community will protect its integrity and stand up for human rights and the environment. Please join the campaign to ban Coca-Cola products from your schools, businesses, city and town facilities!

**STAND UP FOR HUMAN RIGHTS & THE ENVIRONMENT!**

**BECOME A COCA-COLA-FREE COMMUNITY!**

**PLEASE REMOVE ALL COKE PRODUCTS, INCLUDING:**

Fanta, Five Alive, Malvern, Minute Maid, Oasis, Powerade and Sprite

**Lismara Concerned Residents Association**
