

An Appeal to All Restaurants: Stop Coca-Cola's Abuse!

COCA-COLA'S GROSS HUMAN RIGHTS AND ENVIRONMENTAL ABUSES are described on the reverse side of this flyer. We are appealing to all citizens, targets of Coke's advertising, to remove all Coke products from their communities until the company acts responsibly. Coke wants to make all schools, businesses, cities and towns a venue for the sale of its products.

All evidence shows that Coca-Cola is a corporate system full of lies, deception, immorality, corruption and gross human rights and environmental abuses. No community that prides itself a center of ethics and morality should be lending its name and credibility to Coca-Cola, nor serve as a marketplace or venue for its advertising.

We hope that your restaurant will protect its integrity and stand up for human rights and the environment. Please join the campaign to remove Coca-Cola products from your community!

STAND UP FOR HUMAN RIGHTS & THE ENVIRONMENT!
