### **Coca Cola off Our Campus Act**

Whereas, our school's mission statement affirms that the University of San Francisco is a socially responsible community that places importance on the fact that our University is one "with a global perspective that educates leaders who will fashion a more humane and just world;" and

Whereas, the University of San Francisco currently has a contract with the corporation Coca Cola; and

Whereas, the corporation Coca Cola has failed to adequately address their long list of global human rights violations in Colombia and India, with charges against them including murder, torture, kidnapping, water privatization, selling toxic waste as fertilizer, and harming the environment; and

Whereas, with the purchase of Coca Cola by the University of San Francisco and its student body, we too have become perpetrators of the degradation and human rights violations all over the world; therefore be it

Resolved, the Associated Students of the University of San Francisco does hereby resolve to support the elimination of all Coca Cola products from our campus, and urges all USF students and faculty to facilitate this by not buying Coca Cola products and by signing the petition to get Coca Cola kicked off campus.
